SECTION B:

Procedure:

Agencies requesting to conduct the Awareness Level Training may contact the Somerset County Emergency Management Agency at (207) 474-6788 or at EmergencyManagement@SomersetCounty-ME.org expressing the need, and/or contact one of the approved Awareness Level Trainer listed below; The trainer will contact the agency and obtain the required number of Emergency Response Guides (ERG's) and Student Workbooks. Upon completion of the course, the instructor will return the training material and attendance sheets to the Somerset County Emergency Management Agency for process and submission for certificates. If an instructor cannot be obtained from the County list of instructors, others can be provided. Upon return of the certificates, the instructor will be responsible for issuance of the certificates to the respective students or training officer of the department or agency.
